Am7 Bm7
So cool and calm and so collected,
A Bm7 Dm7 A
It only took a minute, no more, no less
C#m7 Bm7 A D A Dm7 A
I lost my sense of gravity, I really was a mess.
Am7 Bm7
So high and light and so excited,
A Bm7 Dm7 A
I tried to let him know, (you know how girls are)
C#m7 Bm7
He received my love like the morning paper,
A D A Dm7 A
Just put it to one side, to read it later.

Chorus:

C#m Bm
How can I warm this man of ice,
Bm
or move this mountain of stone
Dm
Can't he see the flag I'm waving to attract his attention
Dm7 C#m Bm7 A
O God I can't leave him alone,
Bm7 A
O God I can't leave him alone.

So cool and calm and so collected,
Not a feather fuffled of his finery.
I lit a candle to the Holy Queen,
O Mother make him reach for me!
So calm so cool and so collected,
I do believe he doesn't know that I'm burning
So I'll powder my face to hide the flush,

But how can I tame this fierce inner yearning
Is making mistakes the only way of learning. > Chorus

Bridge:

C#m	Cm
If I hadn't accepted the invitation	
Bm7	C#m
To sip coloured cocktails at six,	
G7	
I wouldn't have met this creature divine,	
Bb 7	Amaj7
With his low-down snowman tricks,	
Bb 7	Amaj7
With his low-down snowman tricks. > Chorus
